

Developing Curriculum Pathways for Learners with Learning Difficulties and/or Disabilities

(Half day training)

Are you looking to further develop pathways which lead to further study, apprenticeships and supported living for full-time learners aged 16-18 or adults?

Are you planning the mainstream curriculum to respond to and include learners with learning difficulties and disabilities?

This training will give you a good understanding of the current funding streams you can draw on to deliver learning programmes for learners with LDD.

It will also explore a range of progression options for learners with LDD.

In addition, you will be supported in identify existing/potential partnership arrangements to deliver a range of pathways for learners with LDD.

Suitable for :

Curriculum Managers, Curriculum Deputies, Heads of Sixth.

Delivery method:

Training can be delivered on a one-to-one basis or as a workshop with groups of managers.

Outcomes:

By the end of this training you will have

- familiarity with how Foundation Learning and Additional Learning Support funding can be used to deliver the curriculum for learners with LDD
- an understanding of how to identify qualifications that ensure progression
- identified existing or potential progression opportunities and pathways for learners with LDD

Cost: £500 + VAT per day - if you require more than one day, please contact us for a quotation.
